#4

Hello! As an illustrator for your stadium maintenance needs, I've created a piece that captures the spirit of our work.

Prompt used: "A flat, geometric, corporate Memphis style diagrammatic illustration for a stadium maintenance company. No text. A whimsical scene where a stylized person in purple (#BF40BF) overalls is using a wrench to maintain a large stadium light. The field is a bright lime green (#DAF7A6) with crisp white yardage indicators. A toolbox, a baseball, and a football are neatly arranged nearby. The sky is a beautiful sunset gradient of orange, yellow, and pink. Professional, clean, and charming aesthetic."

Generated Image: Stadium Maintenance Illustration
